**MEMBERSHIP SUCCESS
ROADMAP & COUNSELING**

Upon becoming a member of the Insight Council, you will be assigned a Membership Success Manager that will work closely with you, from the gate and throughout your membership life-cycle, to ensure your membership success objectives are being met. They will assist you with, and/or coordinate your Membership Account Profile, Onboarding Membership Objectives Questionnaire, Membership Success Interview, and 1/4ly Updated Membership Success Questionnaires. They will also assist you with a variety of membership matters, as well as offer advice on how to maximize your overall membership experience.

**MEMBER-TO-MEMBER DIRECTORY
& DIRECT MESSAGING**

Members can search for other members and contact each other directly, as per their preferred form of contact. Members have the option to set up their membership account settings to allow Member-to-Member Direct Messaging, or chose not to if they so wish. They can also choose not to be included in the Member Directory, although it is highly encouraged all members chose to be listed in the Member Directory. * *Vendors and suppliers are strictly prohibited from contacting members. All Insight Council members' contact information are kept private - and are never shared with vendors/suppliers, other members, or 3rd parties, unless the member has given the Insight Council prior permission to share said information with TBD interested parties.*

Continued from previous page.

MEMBER ONLINE DISCUSSION BOARD

Members can post a variety of industry questions, talking points, reviews, news and stories, and/or share their insight within the Member Online Discussion Board platform. Members have the ability to comment or like a post and can do so anonymously, hiding their identity, or openly within the thread history.

MENTOR & MENTEE PROGRAMS

After thorough review and consideration, and based upon the information a member shares in their Membership Account Profile and Onboarding Membership Objectives Questionnaire, they are paired up with another member, so to participate in a Mentor & Mentee Program which would be mutually beneficial to both parties concerned. ** Optional, yet highly encouraged.*

MEMBER-TO-MEMBER INTRODUCTIONS & MATCHMAKING

Based upon the information a member shares in their Membership Account Profile, Onboarding Membership Objectives Questionnaire, Membership Success Interview, 1/4ly Updated Membership Success Questionnaires, and with their Membership Success Manager on a very regular basis, they are introduced to other members that meet the criteria they listed in their various profile records – and would equate to impactful business introductions and matches for both parties concerned. ** The Insight Council does not share members' contact information without prior permission to do so.*

Continued from previous page.

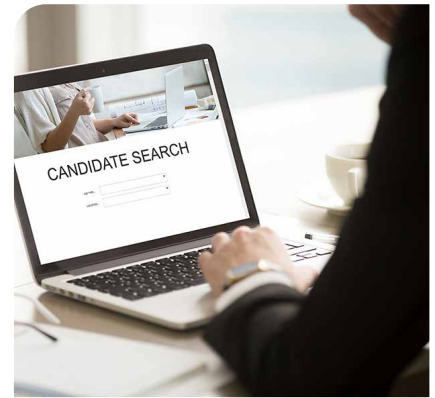

INSIGHT BEST BUDDIES

In addition to Membership Introductions & Matchmaking, all members are highly encouraged to register for the Insight Best Buddies program. By doing so, every month you will be assigned an Insight Best Buddy, which will be chosen based upon the information you have shared with us as to what you're looking for in an industry Insight Best Buddy. You and your Insight Best Buddy will spend a month together, going through a list of insight sharing tasks you would both find mutually beneficial, supported by an Insight Best Buddy Agenda - so to ensure you both meet the objectives set forth in your quest to learn from each other. Every month you'll have a new Insight Best Buddy, equating to twelve (12) impactful peer-to-peer knowledge sharing relationships - further increasing your industry insight and networking pool, in addition to the other avenues provided to you as an Insight Council member. ** Optional, yet highly encouraged.*

MEMBER-TO-VENDOR/ SUPPLIER INTRODUCTIONS & MATCHMAKING

Based upon the information a member shares in their Membership Account Profile, Onboarding Membership Objectives Questionnaire, Membership Success Interview, 1/4ly Updated Membership Success Questionnaires, and with their Membership Success Manager on a very regular basis, they are introduced to vendors/suppliers that meet the criteria they listed in their various profile records - and would equate to impactful business introductions and matches for both parties concerned. ** The Insight Council does not share members' contact information without prior permission to do so.*

ONLINE JOB BOARD*

Members and their organizations can publish job postings for full-time and contract work assignments, either done so to include the Hiring Manager's contact information, or anonymously. Both options include features that allow other members to respond to the job posting (anonymously), either for themselves or a colleague (and the JD can also be forwarded to other parties). Via the Members' Direct Messaging platform, members can also anonymously refer an internal or external colleague for the job posting. ** Optional, no additional cost.*

Continued from previous page.

EXECUTIVE JOB PLACEMENT*

Upon request and at no additional cost, members can contact the Insight Council to discreetly inform them they are open to new career advancement opportunities. In turn, the Insight Council will confidentially work with the member to let them know of current job openings they have Insider Information on, introduce them to other members that work for organizations that may be in need of said member's skill set, and/or align them with the highly reputable Executive Job Placement firms we work with on an ongoing basis.

** Optional, no additional cost.*

SPEAKER BUREAU*

Are you a veteran event Speaker or would like to build your speaking engagement resume so to boost your for-hire event Speaker career? If yes, then register for the Speaker Bureau program and the Insight Council will serve as your go-between with OUTSIDE companies in need of your speaker talent. By doing so, you will be compensated by said TBD OUTSIDE companies. ** Optional, no additional cost.*

SME (SUBJECT MATTER EXPERT) CONSULTANCY*

Do you possess marketable industry insight? If yes, then register for the SME Consultancy program and the Insight Council will serve as your go-between with OUTSIDE companies in need of your industry expertise, for their own research purposes. By doing so, you will be compensated by said TBD OUTSIDE companies. Assignments range from 1-hour research calls to longer projects that may last several weeks or months, scheduled around your availability.

** Optional, no additional cost.*

MEMBERSHIP REQUIREMENTS & MEMBERS' COMMITMENTS

MEMBERSHIP REQUIREMENTS

As an exclusive membership-based executive community dedicated to providing C-Suite and senior-level executives in the technology, public sector, and shared services spaces a professional community that support each other in enhancing their industry insight, below are the various steps to becoming a member and the commitments we ask of all members.

APPLICATION PROCESS

- Nominated or referred by an Insight Council Advisory Board Member, Member, or internal or external colleague
- Invited by the Insight Council
- By Application

JOB TITLE QUALIFICATIONS

To qualify for membership, a potential member must work within the: 1) technology, 2) public sector, or 3) shared services spaces. They must possess a job title of Director or above. However, there are other job titles and functional areas that qualify as well, such as: Data Scientists, Academics, Researchers, Engineers, Architects, et cetera. Exceptions to these job title requirements are considered on a case-by-case basis, as many Fortune 100/500 companies and public sector organizations work off different job title systems, whereas a Senior Manager at x Fortune 100/500 company or public sector organization is equivalent to a Director or above elsewhere. If that's the case for your situation, please note we understand - and we encourage and welcome your interest in applying for membership.

Continued from previous page.

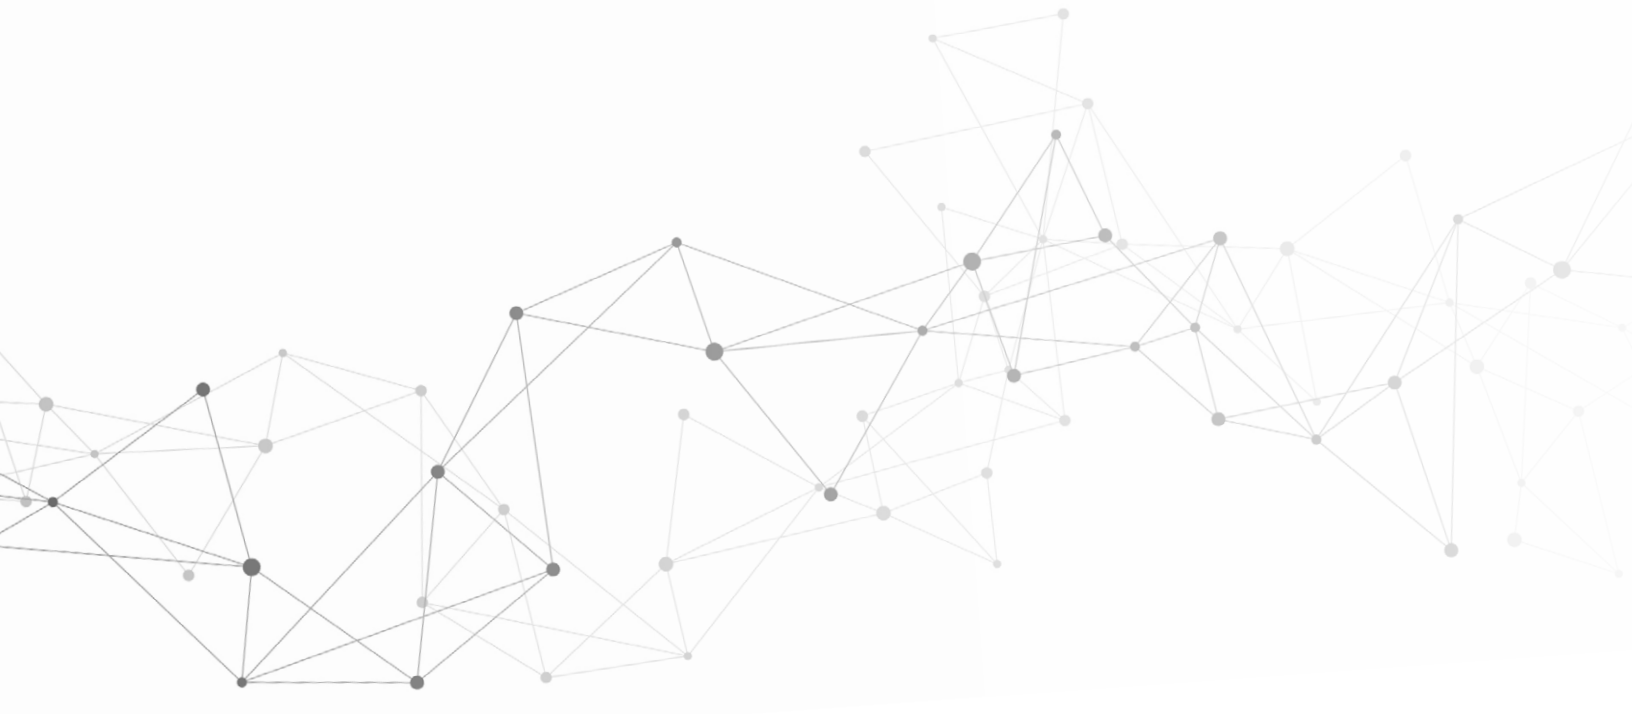

MEMBERS' COMMITMENTS

As an exclusive membership-based executive community that supports each other in enhancing their industry insight and networking pool, we kindly ask all members to make the below commitments, as much as possible and when deemed appropriate in your particular situation.

- Work closely with your Membership Success Manager, to ensure all your Membership Account Profile information and documents are accurate and up-to-date, most especially your Onboarding and 1/4ly Updated Membership Success Objectives Profile. By doing so, they will be better equipped to offer you counsel on the various ways you can maximize your overall membership experience.
- Willingness to share your industry insight with fellow members & the Insight Council.
- Participate in the Member Surveys.
- Contribute content to the Members' Monthly Newsletter - *when feasible*.
- Be open to member-to-member introductions, and/or other internal or external colleague introductions.
- Willing to perhaps Mentor another member.
- Be open to referring your internal or external colleagues to the benefits of membership.
- Attend as many events - *when possible in consideration of your hectic work schedule*.

And overall, for your individual and organization's purposes, be open and eager to....
